Introduction

The Jain Group of Institutions was founded in the 2007 with the noble objective to serve the society by imparting the quality education. The institution provides a dynamic set of learning opportunities and provides holistic education with a firm ground of tradition and values. The institution keeps the focus on the value-based skill education. The on-campus wide range of curricular and co-curricular activities are helping in the overall development of the students. In our beliefs, the integration of technology into academic curricula is also helping to equip our students with modern learning skills.

The last 18 years of journey, the institution excelled with the exponential growth. Started from the single ITI course to currently 25 different academic programmes. The Jain Group of Institutions has three campuses; the main campus is located in Usmankheda and a satellite campus in Sri Ganganagar. Presently, the institution is running various skill-based and job-oriented programmes in the streams of Pharmacy, Nursing, Agriculture, Technical, Paramedical and Vocational. In the Pharmacy streams, the institution offers B.Pharmacy, D.Pharmacy, B.Sc. (Hons.) Agriculture, B.Sc. Optometry, B.Sc. Fashion Design, B.C.A. In the Nursing streams, the institution offers B.Sc. Nursing, Post Basic B.Sc. Nursing, GNM, ANM, CHN, NTT, NANNY, Ambulance Attendant, Operation Theater Attendant courses. In the Technical streams the institution offers ITI courses in different trades (Electrician, Plumber, Welder, Fitter, Mechanic Diesel, Wireman, CSA-COPA and Sewing Technology). In vocational stream the institution offers courses in Yoga Instructor, Fireman and in Paramedical stream the institute offer courses DMLT & DRT.

The institution's main campus is structured by five state-of-the-art academic blocks infrastructure. All the blocks are enriched by the well-equipped trendy laboratories of the concerned stream and modern classrooms. Every year, Jain Group of Institutions enrol more than 1,000 students across the country with diverse cultures and ethnicity. They make the vibrant community of the institution.

The objective of the Craft Instructor Training Scheme (CITS) is to train instructor trainees in the techniques of transferring hands on skills, in order to train semi-skilled/ skilled manpower of industry. The Training of Trainers (ToT) model is intended to engage master trainers to train new trainers that are less experienced with a particular topic or skill, or with training overall. A ToT workshop can build a pool of competent instructors who can then teach the material to other people. Train-the-Trainer is a framework for training potential instructors or subject matter experts to enable them to train other people in their organisations. The expected outcome is that attendees learn the new knowledge or skill, and they will instruct further batches of people in the organisation.
